Medical Waiver

I have been advised by Golden State Hearing Aid Center and their licensed Hearing Aid Dispenser that the Food and Drug Administration has determined that my best interest would be served if I had a medical evaluation by a licensed physician (preferably by a physician who specializes in diseases of the ear) before purchasing a hearing instrument. I do wish to have a medical evaluation before purchasing an instrument. This test information shall be compiled for the purpose of making selections and adaptations of the hearing instrumentation. I am at least 18 years old.
